

## Widden celebrating a 'Magic' 150 years

The famed Widden Stud brand is 150 years old in 2017 and the world's longest continuously owned thoroughbred nursery has never been in better form.

Widden Stud bred horses have been red hot over the start to summer leading into the 2017 Magic Millions Yearling Sale (January 11- 15) at the Gold Coast with a spate of top class winners this season writing the latest chapter of our success.

Past Widden Stud drafts at the Gold Coast have produced Australian Horse of the Year Dissident, Magic Millions 2YO Classic winners Driefontein and Le Chef, not to mention Group I winners Stratum Star and Absolut Glam as well as current Group II winning three year-olds Star Turn and Seaburge.

The quintessential Widden Stud product, Dissident was bred and sold by Widden fetching \$210,000 in 2012 when snapped up by champion trainer Peter Moody.

Sired by our own superstar sire Sebring from stakes-placed Diana's Secret, who was also bred at Widden, Dissident was a fast stakes-winning two year-old, who trained on to classic success at three before dominating at weight-for-age at four.

It's an exciting year for us in 2017. Not only are we celebrating a milestone but we will be launching the first crop yearlings by our Champion 3yo's SHAMUS AWARD (Snitzel) & ZOUSTAR (Northern Meteor). These were clearly the two standout 3yo's of their generation. Both dual Group 1 winners, both by champion stallions and both won the sire making races such as the Coolmore Stud Stakes, Australian Guineas, Golden Rose & W.S Cox Plate.

*Shamus Award*

It has been 5 years since we launched the first crop yearlings of Sebring & Northern Meteor (two stallions who have gone on to achieve enormous success) and with Shamus Award & Zoustar it feels very much like deja-vu.

Pedigree highlights include: siblings to Group II winners Seaburge, Catch a Fire, Group II winner Go the Knuckle, Group III winner Sharnee Rose, Group III winner Thurlow and a three-quarter brother in blood to \$2.1 million earner and dual Group I winner Sacred Choice (colt by Choisir).

Also yearlings from: Group II winner De Lightning Ridge, stakes-winners Lilakyn (NZ), Shaquira (GB), Street Storm (USA), Tango Amigo's, Cabernet, Combat Kitty and Group I placed Zumanity (NZ), stakes-placed Fast Talker, Epona Princess and Essie's Pride.

**Join us to celebrate our 150th year anniversary at Stable C at the Gold Coast in January and start your search for a champion in the right place!**

# Stratum Stars!

As good a year as it has been for Widden Stud in 2016, we did have one low point in September with the sad passing of our Golden Slipper winning sire Stratum due to a heart attack.

Retiring to Widden Stud in 2006, Stratum was an immediate success, siring Golden Slipper winner Crystal Lily in his first crop to give him the unique honour of being not only Champion Australian First Season Sire of 2010, but also the Champion 2YO Sire.

Since then he has delivered a steady flow of superior horses including champion filly Streama and in December sired two Group I winners in a seven day period with Takedown winning the \$1million WATC Winterbottom Stakes and Stratum Star winning the \$1million WATC Kingston Town Classic.

Takedown and Stratum Star are both Widden Stud bred horses and highlight the fantastic success we have achieved through supporting our own stallions and backing our judgement to succeed.

Retained to race by Widden Stud in partnership with long time clients Robert and Deb Anderson, Takedown has been a natural from the day he arrived at the stable of Gary Moore.

He won three of his first four starts at

two including two at Group II level and has improved with every preparation since then to have the overall record of seven wins and six placings from 21 starts with prizemoney in excess of \$1.5 million.

Takedown's dam Apamea (GB) has no yearling for the sales in 2017, but we are delighted to offer the first foal of her Sebring daughter Apamene at Magic Millions.

Consigned as Lot 901, the handsome bay colt is by Fastnet Rock's Group I winning son

Your Song.

The Darren Weir trained five year-old stallion Stratum Star is now a dual Group I winner of over \$1.6 million in prizemoney showing a remarkable return on his 2013 Magic Millions purchase price of \$165,000!

Stratum had strong sale results in 2016 with his progeny selling for up to \$600,000 and he has another appealing selection of youngsters to be offered in 2017 including 10 at the Gold Coast in January.

Stratum Star

# The Leading Vendor of Group 1 Horses!

Our 2015 yearling draft was one of our most successful yet. Group 1 winners YANKEE ROSE & PRIZED ICON were graduates of Widden as were two cracking colts in our Magic Millions draft by our sires Star Witness and Sebring that both found favour with buyers and have achieved resounding success for their new owners.

A powerhouse chestnut, stamped in the

mould of his sire Star Witness, STAR TURN caught the eye of renowned judge Alan Bell, who paid \$400,000 for the colt from Group III winner Golden Delicious.

He was the most expensive yearling from the second crop of Star Witness and quickly showed his talent with an explosive win in the \$150,000 Pierro Plate at Randwick as a spring two year-old.

Prepared by Hawkes Racing, Star Turn was fifth in the Group I MRC Blue Diamond Stakes and sixth in the Group I ATC Golden Slipper, but has blossomed this season at three.

A brilliant winner over older sprinters in the Group II MRC Schillaci Stakes and then a close third in the Group I VRC Coolmore Stud Stakes, Star Turn has future Group I winner written all over him and sire prospect!

Bought by Bahen Bloodstock/ Lindsay Park Racing for \$220,000, Sebring colt SEABURGE went straight into the stable of David/ Ben Hayes and Tom Dabernig, drawing immediate comparison to their former Sebring stable star Criterion.

Like Criterion, Seaburge proved effective at two winning the Group II VRC Sires Produce Stakes and in the spring posted two valuable Group I seconds, flashing home in both the MRC Caulfield Guineas and VRC Emirates Stakes against the older horses.

Guineas races in the autumn will be firmly in his sights as Seaburge looks to cement his position as one of the best three year-olds in the country.

This year at Magic Millions we offer his half-sister by leading sire Not a Single Doubt as Lot 322. She is the fourth foal of Polska, who is also the dam of Group II winner Catch a Fire.

Seaburge

# Champion 3yo's launch - a case of deja-vu?

In 2012, Widden Stud launched two new stallions at Magic Millions with Northern Meteor and Sebring kick starting their careers with a flurry of sales success and in 2017, the team at Widden plan to replicate their success with the next generation – Shamus Award & Zoustar.

It is often said that outstanding sons of outstanding sires are those who make the best stallions and if that theory holds true, then Shamus Award and Zoustar are in the box seat for success.

The Champion 3YO Colt of his generation after scoring history making wins in the Group I MVRC Cox Plate and VRC Australian Guineas, Shamus Award is unquestionably the finest son of Snitzel to go to stud.

Shamus Award has 16 entries for Magic Millions from a wide variety of vendors with some obvious pedigree highlights including: the half-brother to Group I winner and \$1.3 million earner Mourinho offered by Little Wych as Lot 668; and a colt from dual Group I winner Perfect Promise (SAF) offered by Golden Grove Stud as Lot 307.

A brilliant winner of the Group I ATC Golden Rose and VRC Coolmore Stud Stakes, Zoustar is the best son of Northern Meteor and it only seems fitting that he should be chosen to succeed his sire at Widden.

Combining the blood of champion sires Encosta de Lago and Redoute's Choice, Zoustar has been supported by the best breeders in the country and his draft of 42 features a plethora of stunning youngsters from some of the best families.

A filly with a big pedigree update is Lot 745 from Milburn Creek as agent for Makybe.

She is a half-sister to stakes-winner Corsaire from Crystal Choir (GB), whose two year-old Snitzel filly Debonairly won easily on debut for the Waterhouse and Bott stable at Warwick Farm before Christmas.

Magic Millions eligible, Debonairly may add further value to this lovely filly before sale day!

## Witnessing Greatness!

The leading third season sire in Australia by earnings, Star Witness has taken giant strides in the past six months with the emergence of outstanding filly Global Glamour and brilliant colt Star Turn.

The achievements of Star Turn have been well covered, but it is Global Glamour that has really put the icing on the cake for her young sire.

Selected at Magic Millions by renowned bloodstock agent James Bester to race for an enthusiastic syndicate of women involved in racing from all over the world, Global Glamour has proven an inspired selection.

Secured for just \$65,000 and sent to Gai Waterhouse, Global Glamour made history when winning the Group I ATC Flight Stakes in the spring to become the first Group I winner for the training partnership between Waterhouse and Adrian Bott.

She backed up to win the Group I MRC Thousand Guineas at Caulfield and following a short break is now being prepared for the rich \$2million Magic Millions 3YO Guineas (1400m) at the Gold Coast on January 14.

Star Witness has 21 entries for Magic Millions offered by a wide range of vendors and his stock are sure to prove popular.
